Re: United States v. Alvin Forde
20 Cr 557 (AT)
Inmate Reg. #: 05777-509

Dear Judge Torres:

I write asking the Court to direct the Bureau of Prisons and the United States Marshal Service to bring the defendant, Alvin Forde, to a hospital so that his leg can be examined by a physician. Upon completion of his examination, then I respectfully request that the be brought back to the MDC where he is currently incarcerated.

Mr. Forde informs me that he has been suffering from a leg injury for quite some time, that he is in significant discomfort, that he has repeatedly requested medical treatment for his leg and that he has not received any.

Mr. Forde reported that after he was arrested and while he was incarcerated at the MCC in Manhattan, he was told that he needed to be brought to a hospital so that his leg could be looked at. That did not occur and he was subsequently moved to the MDC in Brooklyn. Mr. Forde has told counsel that he has repeatedly asked to go to the hospital, but his requests have been ignored.

I ask the Court to direct that Mr. Forde be brought to a nearby hospital so that x-rays can be taken of his leg and he can be examined by a specialist.

If the forgoing meets with the Court's approval, then I respectfully request that you "SO ORDER" this letter.

Thank you for your consideration in this matter.

Respectfully,

Daniel S. Parker
